

20th November 2017

Year 11 Parents Subject Consultation Evening and Mock results evening- Wednesday 6 December 2017

Dear Parents,

By the end of this week, year 11 students will have completed their mock exams and as such, I would like to invite you to our Year 11 parent subject consultation evening on Wednesday 6 December. This is an incredibly important evening as you will receive your child's Term 2 report with their Mock exam results, get the opportunity to discuss outcomes and progress with their subject teachers and also meet senior, pastoral and inclusion staff who will be on hand to talk to you and your child.

There has been a great deal of effort and focus by students over the last term, and we have been impressed with the overall maturity and commitment to the mock exams. This process is key in preparing all learners for the exams they will sit in the Summer and in thinking through what needs to be done to be as successful as possible in these.

Appointments will run from 4.45pm to 6.45pm. Five minute appointments are available direct from subject teachers. Your child has been given an appointment booking sheet today, which they have been asked to complete by organising appointments with their subject teachers. All appointments will be held in the canteen.

Additionally, we are also working in partnership with the GT Scholars programme, letter attached, and representatives from this company will be with us all evening. This is a fantastic opportunity that we made available to all of our learners and would strongly encourage you to register your interest and meet with them on the evening. Representatives from sixth form colleges will also be available on the evening to talk to you about future opportunities.

There is a reply slip on this letter, and I would be grateful if you could return this as soon as possible to your child's Learning Family Tutor in order that we can confirm that you will be able to attend this evening. Final GCSE exams start in 5 months and this evening will provide information, strategies and advice to make this as productive and impactful as possible.

We look forward to meeting with you all and having this opportunity to discuss the progress and wellbeing of your child to ensure that we can continue to ensure that each one of our learners can continue to confidently reach the destination to which they aspire.

Yours faithfully,
Mr. D Collins
Director of School
Compass School

**Year 11 Parents Subject Consultation Evening – Wednesday 6 December
Please return to your Learning Family Tutor or the school office (by Friday 1 December)**

Name of Child: _____

I will be able to attend the year 11 Parents Subject Consultation Evening.
