1. Aims

This policy aims to:

- Explain **how to apply** for a place at the school
- Set out the school's **arrangements for allocating places to the pupils** who apply
- Explain **how to appeal** against a decision not to offer your child a place

2. Legislation and statutory requirements

This policy is based on the following advice from the Department for Education (DfE):

- [School Admissions Code](#)
- [School Admission Appeals Code](#)

As an academy, the school is required by its funding agreement to comply with these codes, and with the law relating to admissions as set out in the [School Standards and Framework Act 1998](#).

This policy complies with our funding agreement and articles of association.

3. Definitions

The **normal admissions round** is the period during which parents can apply for state-funded school places at the school's normal point of entry, using the common application form provided by their home local authority.

Looked after children

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence orders in force prior to 22 April 2014 is deemed to be a child arrangements order.

Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Any references to previously looked after children in the School Admissions Code 2014 means such children who were adopted (or subject to child arrangement orders or special guardianship orders) immediately having been looked after.

Previously looked after children are children who were looked after, but ceased to be so because they:

- Were adopted under the Adoption Act 1976 or the Adoption and Children Act 2002, or
- Became subject to a child arrangements order, or

- Became subject to a special guardianship order

A child reaches **compulsory school age** on the prescribed day following his or her fifth birthday (or on his or her fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.

4. How to apply

For applications in the normal admissions round you should use the application form provided by your home local authority (regardless of which local authority the schools are in). You can use this form to express your preference for up to 6 state-funded schools, in rank order.

Our school requires applicants to fill in a [Supplementary-form used for ranking purposes only](#).

You will receive an offer for a school place directly from your local authority.

5. Requests for admission outside the normal age group

Parents are entitled to request a place for their child outside of their normal age group.

Decisions on requests for admission outside the normal age group will be made on the basis of the circumstances of each case and in the best interests of the child concerned. In accordance with the School Admissions Code, this will include taking account of:

- Parents' views
- Information about the child's academic, social and emotional development
- Where relevant, their medical history and the views of a medical professional
- Whether they have previously been educated out of their normal age group
- Whether they may naturally have fallen into a lower age group if it were not for being born prematurely
- The principal's views

Requests for admission outside a child's normal age group will be processed as part of the main admissions round. They will be considered on the basis of the admission arrangements laid out in this policy, including the oversubscription criteria listed in section 6. Applications will not be treated as a lower priority if parents have made a request for a child to be admitted outside the normal age group. Parents will always be informed of the reasons for any decision on the year group a child should be admitted to. Parents do not have a right to appeal if they are offered a place at the school but it is not in their preferred age group.

6. Allocation of places

6.1 Admission number

Compass School Southwark has a **Planned Admission Number (PAN) of 120 pupils** for year 7 entry September 2021. Our admissions for Year 7 pupils is run as part of the London Borough of Southwark's Co-ordinated Admissions Scheme. Please contact the Southwark Admissions Team on 020 7525 5337 or schools.admissions@southwark.gov.uk.

6.2 Oversubscription criteria

Where the number of applications for admission is greater than the published admissions number, applications will be considered against the criteria set out below.

1. Looked after children and previously looked after children (as illustrated in the definition above)
2. Children who have a sibling (full, half, step, fostered or adopted brother or sister) already attending the school at the time of the admission.
3. Geographical proximity to the school, as measured from the child's home to the front gates of the school in a straight line.

6.3 Children with Education, Health and Care Plans

All children whose statement of special educational needs or education, health and care plan names the school will be admitted.

This is a separate process and you can contact the SEND team to determine how to apply.

6.4 Tie break

In the case of 2 or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school. Distance will be measured in a straight line from the child's home address to the school's front gates on Drummond Road. A child's home address will be considered to be where he/she is resident for the majority of nights in a normal school week. Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.

7. In-year admissions

Where Compass School has spaces in Year 7-11 it will always consider students who wish to join us in the middle of the school year. As is the case in the normal admissions round, all children whose statement of SEN or EHC plan names the school, will be admitted if in agreement with the local authority the school feels that it can meet the needs of the student.

If there are no spaces available at the time of your application, your child's name will be added to a waiting list for the relevant year group. When a space becomes available it will be filled by one of the pupils on the waiting list in accordance with the oversubscription criteria listed in section 6.2 of this policy. Priority will not be given to children on the basis that they have been on the waiting list the longest. If you would like to send your son or daughter to Compass School, please complete and return the application form.

If a child not attending a Southwark school and is applying for an in-year place at a Southwark school, they must return the in-year application form directly to Southwark Council's School Admissions Team in accordance with the agreed in-year protocol.

Applications for in-year admissions should be sent to the following address:

Compass Applications
Compass School Southwark
Drummond Road
Bermondsey

SE16 2BT

8. Waiting Lists

1. Any child refused a place at the school will automatically be put on a waiting list (unless a higher preference school has been offered.) A waiting list will be maintained until the end of the academic year after which it will be cleared.
2. The waiting list is maintained in the order of the oversubscription criteria only (not application date). This means that names can move down the list if, e.g. someone moves into the area and is higher placed under the oversubscription criteria.
3. Parents/carers have the right to request their child is removed from the waiting list at any time. Once removed, the child cannot be reinstated on the waiting list without submitting a new application.
4. If a place becomes available it will be allocated to the first child on the waiting list, in accordance with the oversubscription criteria. If that offer is declined the place will be offered to the next child on the waiting list.
5. Looked after children, previously looked after children and those allocated a place at the school in accordance with a Fair Access Protocol will take precedence over those on a waiting list.

Please contact the school for more information or if you have any questions. Paper copies of all the forms that you require can be collected from Reception.

9. Appeals

If your child's application for a place at the school is unsuccessful, you will be informed why admission was refused and given information about the process for hearing appeals. If you wish to appeal, you must set out the grounds for your appeal in writing and send it to the following address:

info@compass-schools.com

You can find details of the school's appeals timetable on the following webpage:

10. Monitoring arrangements

This policy will be reviewed and approved by the Full Governing Body/Admissions Committee every year.

Whenever changes to admission arrangements are proposed (except where the change is an increase to the agreed admission number), the governing board will publicly consult on these changes.
