Dear Parent/Guardian,

RE: Year 9 Enrichment Lessons

To follow up on our communication at the start of term we are writing to confirm that Year 9 students will continue to go home after lunch on a Wednesday unless they are doing Triple Science.

This means that a return to full enrichment lessons will be postponed until further notice.

We have made this decision as we attempt to strike the challenging but, correct balance between our community's safety, our contribution to the minimising of infection rates whilst above all maintaining focus on academic learning.

This is not a decision that we have come to lightly and very much hope to ensure that enrichment provision can begin in the Spring Term.

We will be in touch regarding this towards the end of the year pending government guidance and our monitoring of the risk assessment.

If you would like to speak with us regarding this decision and enrichment provision, please do not hesitate to get in touch via reception or email at info@compass-schools.com.

Yours sincerely,

Sarah Milburn
Senior Assistant Principal for Teaching and Learning
