

Victorians Knowledge Organiser

<p>Victorians</p>	<ol style="list-style-type: none"> Victorian period. The period of British history when Queen Victoria ruled; it includes the entire second half of the nineteenth century, a time when Britain was the most powerful nation in the world. The Victorian period was known for a rather stern morality. It was a time during which literature and theatre flourished. During her reign a lot of new theatres were built along with theatre schools. It was also during her reign when political reforms came into practice which led to the openness of theatre and literature. Theatre openly displayed and played dramas relating to social problems. 	<p style="text-align: center;">Key Words</p>  <p style="text-align: center;">Subject Terminology</p>	<ol style="list-style-type: none"> Victorians Biography Exercise Thought tracking Flashback Status Forum Theatre Responsibility William Blake Slavery Bonded slavery Forced slavery Domestic slavery Trafficked slavery Court Judge 	<ol style="list-style-type: none"> Queen Victoria on the throne Character's backstory Character's thoughts A scene in the past Character's power Active Audience Being accountable Victorian Poet Individuals owned by others Slavery to pay off a debt Working against your will Slavery in people's homes The trade of humans for work A place where justice is served A person who administers justice
<p>William Blake</p>	<ol style="list-style-type: none"> William Blake (born in 1757 died 1827) began writing at an early age and claimed to have had his first vision, of a tree full of angels, at age 10. He studied engraving and grew to love Gothic art, which he incorporated into his own unique works.
