

Compass School Southwark

Year 11 have been fantastic!

Exams have started well and students are working really hard. To help them through the last two weeks of GCSEs we have a number of the masterclasses over half term and on Saturdays

If your child has been invited to attend you will have received a letter. Students have also been given a letter.

If you want your child to attend a session and they haven't been invited, then they are more than welcome to come along prepared to study hard.
